Hi Aaron,

I'm just new in the Department and still learning things. Can you forward to me a sample of this Report?
Thanks!

We'll be distributing the flyer on Lankershim from Camarillo to Cumpston.
And on Magnolia from Tujunga to Vineland, since it could have an impact on them as well.

I'm also going to mail out the flyer to district property owners to cover all our bases.

Hi Aaron,

Here is the outreach from Great Streets for the businesses. I know you said your team could help do outreach on this, so
let me know the areas they will target. We are encouraging businesses north of Chandler to attend one of the two locations
at Robertson Honda or Roma Deli, and figured those to the south may be interested in attending the one the BID is hosting,

Thanks again for your assistance in outreach. Also, be sure to have your outreach staff tell anyone that even if they cannot attend a workshop,
or the community meeting through the Midtown Neighborhood Council, that
their COMMENTS/QUESTIONS are *strongly encouraged* by filling out a survey/questionnaire on the Great Streets website (Which is included
on the attached flyer).

To:

Dear North Hollywood community member,

Lankershim Blvd was designated one of the City of Los Angeles's Great Streets in 2014. The City is planning changes in 2017 and 2018 to Lankershim Blvd.

- Reducing travel lanes to improve safety
- Improving bike and pedestrian connections
- Calmer traffic for a safer drive, walk and ride
- Trees, landscaping and green infrastructure

It's important that you provide input and feedback so we can address your concerns and incorporate your ideas. There are four upcoming opportunities for you to provide input.

Please RSVP to greatstreets@lacity.org if you plan to attend.

If you cannot attend, please visit <http://lagreatstreets.org/lankershim> to learn about the project and take our survey.

Thanks Sahag.

Do you know if they once used a more detailed survey on improvements stakeholders would like to see?

It seemed like what they proposed at the community meeting (trees, bike lanes, etc.) were born out of some sort of survey or info collection, but maybe not.

Thanks,

I'll check in and ask since I'm coming mid-way in the game.

I think they had asked people (surveyed) who showed up to their pop-up event what are the top few things they'd like to see on Lankershim Blvd. A does on every great street, not sure if it came from the community. But I'll find out!

Hey Carter,

Checking in on the business outreach plan.
The council office sent over an updated survey link and we sent out to our board for feedback.

We don't have business emails to send them the survey or many property owner emails.

Do you guys have a hard copy of the survey that we could have our ambassadors distribute, collect, and send back to you guys?

Hi Aaron,

Sorry for the delay. We'd very much like to present to the BID, but think it would work better in April so we have some time to develop more in
stakeholders to join as well.

Would it work to present at the April meeting, and if so, what date and time would that be?

Best,

Carter

This sounds like a good approach.

In addition to the mailer, I do think you let our ambassadors pass out the postcard to businesses in our district.
Hand delivery will help on the survey numbers.

Valley Glen's Great Wall Mural Up for National Registry

VALLEY GLEN - The Great Wall of Los Angeles may soon be added to the National Historic Registry. This May, the State Historic Resources Commission will consider the nomination of this incredible San Fernando Valle

The National Registry is the country's official list of historical properties that are deemed worthy of protection and preservation. The Great Wall of Los Angeles spans more than 2,700 feet in the Tujunga Wash and was paid visual representation of the history of California's ethnic communities from prehistoric times up to the 1950s.

Judy F. Baca, the mural's creator, conceived of the idea in 1974 when the Army Corps of Engineers gave her the task of beautifying a portion of the flood control channel. Through contributions from numerous government project launched in the summer of 1976.

Under Baca's direction, with support from a team of 80 young people, 10 artists and five historians, the first 1,000 feet was painted. During the subsequent summers of 1978, 1980, 1981 and 1983, the mural makers added commemorating the contributions and struggles of California's ethnic peoples.

PHOTO OF THE WEEK

Councilmember Krekorian honored Doreen Hudson for 40 years of city service with the LAPD Criminalistics Laboratory. She pioneered the "Walk in Weekdays" program, an international model to fast track firearm evidence images into the National Integrated Ballistics Information Network database, and has led countless teams of experts to redesign the LAPD's beanbag munitions to increase safety. | Photo: CD2

Councilmember Krekorian honored Fire Captain Charles "Chuck" Ruddell of North Hollywood's Station 89 as 2016 Firefighter of the Year. | Photo: CD2

Community Input on the LAPD's Video Policy

Hosted by the UCLA and NYU Schools of Law
www.lapdvideopolicy.org

Should the LAPD release body camera videos after an officer-involved shooting? If so, when? And who should make the decision? The Los Angeles Police Commission is considering a new Policing Project, along with UCLA School of Law and UCI School of Law to help gather public input on what the policy should be. Go to www.lapdvideopolicy.org to take an online questionnaire to share your views. You also can attend a community forum to be announced in April.

ATSAC's computerized system monitors and controls every traffic light in the city, making real-time adjustments based on traffic conditions at about 4600 intersections. The students were engaged and excited, and we hope the tour inspired the next generation of engineers and scientists. ----- Vision Zero's "SPEED KILLS" Now Playing in DTLA Alan Nakagawa has been serving as LADOT's Artist in Residence for almost a year now. Recently, Alan partnered with the Echo Park Film Center to develop the original animation, "SPEED KILLS." On March 20th, Alan projected the animation onto buildings in Downtown Los Angeles. To watch the full animation, visit visionzero.lacity.org (http://visionzero.lacity.org/wp-content/uploads/2017/03/SPEED_KILLS_Loop_031917_Compressed.mp4) ----- Cyber Security Awareness Phishing is a scam used by identity thieves to trick you into providing your sensitive personal or financial information. To protect yourself from falling victim to a phishing scam, (<http://ladot.lacity.org/sites/g/files/wph266/f/LADOT%20IT%20-%20PhishingScams.pdf>) it's important to be very cautious with your personal information including your usernames and passwords. Some phishing scams divert you to a fraudulent website designed to look like your bank's website or a similar trusted source. WEEKLY BRIEF

LADOT

ATSAC Visit

LADOT Transportation Engineers Masis Khashakyan and Hanwen Tsai hosted approximately 50 students from the Legacy Ladies Organization for an informational presentation about the Automated Traffic Surveillance and Control Center (ATSAC). ATSAC's computerized system monitors and controls every traffic light in the city, making real-time adjustments based on traffic conditions at about 4600 intersections. The students were engaged and excited, and we hope the tour inspired the next generation of engineers and scientists.

Vision Zero's "SPEED KILLS" Now Playing in DTLA

Alan Nakagawa has been serving as LADOT's Artist in Residence for almost a year now. Recently, Alan partnered with the Echo Park Film Center to develop the original animation, "SPEED KILLS." On March 20th, Alan projected the animation onto buildings in Downtown Los Angeles. To watch the full animation, visit visionzero.lacity.org.
